The screenshot shows the Microsoft Project application interface. At the top, there is a search bar labeled "Search for online templates" and a user profile for Pierre Bonnal (pierre.bonnal@cern.ch) with a "Switch account" link. Below the search bar, there are two tabs: "FEATURED" and "SHARED". The "FEATURED" tab is active, displaying four project templates. The first template is a "Blank Project", which is highlighted with a green arrow pointing to it. A callout box with a green border and text "Click **Blank Project**" is positioned over the arrow. The other three templates are "Book", "New from SharePoint Tasks List", and another "New from SharePoint Tasks List" template. The "Blank Project" template is a simple white rectangle with a grey border. The "Book" template shows a calendar icon and a green arrow. The "New from SharePoint Tasks List" templates show a calendar icon, a green arrow, and a blue bar chart.
